

## Non-Traditional Methods of Finishing Your Quilt: Tips from Tims and Anderson

At this Workshop Lynda D will share a few tips/techniques for finishing your art quilts/quilts without employing traditional binding methods. She learned one technique from Ricky Tims in 2013. Three years later, she attended a day long interactive session with Alex Anderson who also shared some of her non traditional tips for finishing art quilts. Lynda will demonstrate their techniques.

Since this workshop is designed to share Tim's and Anderson's techniques as well as offer a safe way to practice, Lynda suggests that you bring in at least one (and no more than three) quilt sandwiches. These will allow you to practice the techniques without fear of making a mistake on a project you value.

### Supplies:

Sewing machine and the usual notions

Ironing station to be shared by up to 4 people

One to Three quilt sandwiches to be finished using at least one of the techniques demonstrated.
