

# Notebook Cover Workshop

## Supply List

Wed, November 7, 2018

with Sue Martell

This cover is for a 5" by 7" writing pad. It looks like a small legal pad. I will supply those.

### Fabric requirements in inches:

1	12 ½ by 9 ½	for outside
1	12 ½ by 9 ½	for inside
1	12 by 8 ½	right tablet holder
2	6 by 9 ½	left side
1	6 by 8 ½	pen pocket
1	10 by 3	closure flap (optional)

### Fusible fleece

1	12 ½ by 9 ½	for outside
1	10 by 3	optional closure flap

### Interfacing (fusible and medium weight)

1	12 ½ by 9 ½	for inside
1	6 by 8 ½	for right side
1	6 by 9 ½	for left side

Please label each piece with dimensions and what it's for. It will help as we assemble the tablet. You can iron interfacing/fusible fleece to inside and outside pieces.

### Please bring standard sewing supplies:

Sewing machine and matching thread

Mat, ruler and rotary cutter (Not necessary if you have pre cut your pieces.)

Iron and ironing pad

You will need a magnetic closure or if you use the flap closure
