This is a simple pattern that creates a stunning quilt. Make it scrappy with a strong contrast and everyone will think you're a creative genius!

There is a lot of cutting so you will want to pre-cut your fabrics at home prior to the workshop.

**Supplies and Cutting:**

(1) Jelly Roll or (40) 2 ½" x width of fabric strips from your stash:

Subcut each of the (40) pre-cut 2 ½" strips into the following:

- (1) 2 ½" x 10 ½" rectangle      A
  - (1) 2 ½" x 8 ½" rectangle      E
  - (1) 2 ½" x 6 ½" rectangle      D
  - (1) 2 ½" x 4 ½" rectangle      C
  - (1) 2 ½" x 2 ½" square      B
- (2) 2 ½" x 4 ½" rectangles for outer piano keys border

1 ¾ yds. White/light fabric or another fabric with a strong contrast with your jelly roll fabrics

- (120) 2 ½" squares—you will need (6) for each block
- Set aside remaining fabric for the borders
