**REVISED SUPPLY LIST**

Create all the charm of a rag rug without braiding or clothesline rope with this clever technique. Start with 2 ½" jelly roll strips and add batting for an easy-to-construct rug. It will be lovely next to the bed, in front of the kitchen sink, in the bathroom and elsewhere around the house. Plus, the rug is fully washable.

**SUPPLIES:**

(1) Jelly Roll (40-42) 2 ½" x width of fabric strips OR cut your own strips using your fabric stash

(2) 25 yard (or (1) 50 yard) rolls of Katahdin batting 2 ½" or 2 ¼" wide OR use 1 ¼ yds. x 96" wide 100% cotton batting and cut your own strips
