Tonight's teddy bear collection will go to the Calais Hospital

Teresa Wright passed around a sign-up sheet for selling raffle tickets at Marden's on April 12.

Peggy Brownlee did the two-minute tip: Use a marking roller (as used with sewing carbon paper) to perforate the sew lines of foundation piece patterns. The pattern then folds back easily, making it unnecessary to use a card. It also makes the pattern tear away easily. Peggy also recommends using "Sort Easy," a product for fingers when counting money to make it easier to sort cut squares.

Auction of cast-offs. Sue McIver quickly auctioned off many donated items earning more than \$400.00.

Wanda Pollock won the fabric draw.

Show and Tell. Twelve women showed their work.

Respectfully submitted,

Jane M. Eaton
