

St. Croix International Quilt Guild

Business Meeting April 16, 2014

President Sue McIver called the meeting to order at 6pm with 26 members present. We had roll call with each member telling us what quilting project they had planned for the summer. The minutes of the last meeting were read with a correction for July 11th being the picnic in Machais not the Area 5 meeting. All were in favor of the minutes after correction. There was no correspondence. Pat Wyeth reported a balance of \$653.13 in the treasury.

See Addendum for workshops.

Bonnie reported that we got a \$100 grant from Pine Tree Quilters and that we still have 9 quilts that have not gone to the quilters yet because we still need backings.

Joline reported that there are no new members this month. She asked that if anyone's e-mail changes to please let her know.

Lynda D. reported that she had kept up with the publicity while away in Florida. The Patchwork Press has gone to 4 issues a year instead of 6. If anyone wants something put into the Patchwork Press or the local papers then they should let Lynda know.

Lynda D. reported that the next meeting for the quilt show will be held at the church, this date is not set yet. There are still 6 things for the Challenge left if anyone is interested, the cost is \$2.

Theresa mentioned that people should be thinking about what they will donate to the Chinese auction held during the Quilt Show.

The air conditioners have been ordered and should soon arrive. The carpenters that work at the Methodist Homes will put them in.

It is very important that we are very sensitive about other people's work that they bring for show and tell. We are all at different levels in our quilting and everyone needs to feel proud of their work.

The Area 5 Meeting will be Thursday May 29, there will be a workshop in Trenton that day on Hexagons for \$20 with Mary K. Lahey, there will also be 2 or 3 vendors.

The Downeast Quilters will have their picnic on July 11th at 5pm at the Kay Parker Building.

Jean Herrick did the two minute tip. She showed us how to use a flannel backed tablecloth as a design wall. It is very easy to roll up and take with you, and very inexpensive also.

Val Jackson did the program showing us how to make little wallets or mini pouches out of squares and rectangles.

Leona won the fabric draw.

12 people showed their work at Show and Tell.

Respectfully submitted

Wanda Pollock

Acting Secretary

Addendum
